Fall Wrap-up/Highlights

The Lansing Soccer Club is proud to announce that this Fall 2013, the club has grown to serve:

- 179 Players
- A total of 15 teams! Comprised of 8 boys teams and 7 girls teams.
- A continued partnership with the Refugee Development Center in support of the U14 Boys LSC Newcomers. A team comprised of 17 boys from 3 countries, speaking 6 languages!

In addition to this amazing growth, the Lansing Soccer Club has also built capacity to better serve its members. In the coming weeks and months, look for an all new and updated website and Facebook page, coaching development resources, and further technical support for Coaches,

Managers, and Players! It is our primary mission to serve the children of Lansing with a firm belief that every child would be able to play soccer, regardless of background. We thank you for your continued support. Let's continue a great year of the beautiful game!

Lansing Soccer Club

While developing a child's mental and physical skills, The Lansing Soccer Club is also designed to create an environment that nurtures a child's love of the game. Our children learn good sportsmanship, how to honor their communities, the principals of respect and tolerance for all, and how a city can be built when a round ball and committed families come together. In short, we teach children values that are critical to success on and off the field.
